Adventure Academy for Boys

June 9-June 13, 2014

Twin Lakes Camp, 300 Bayou Clear Rd., Woodworth, LA.

The Louisiana District Royal Rangers invites all boys ages 8 - 17 to this year's Adventure Academy. This one-of-a-kind camp for boys brings excitement, exploration, friendship, and accomplishment together with spiritual growth to give your young man a week he will never forget. Preparing Leaders of these boys can also take place during this camp by signing up for the LTA college.

Academy offers a unique and unparalleled value for your camp dollar. With certified swimming instruction, quality on-site meals, trained instructors in a wide variety of interest areas, and a safe, boy-friendly campground facility, you won't be able to find another camp anywhere at this price offering such a wide variety of experiences and skills.

With 41 years of previous camp history, the Adventure Academy for boys is constantly upgrading to make each year's adventure up-to-date and appropriate for each age/grade level.

Each age-group of boys will form a unique camp with activities no other age-group will experience. Each year of Academy offers a special adventure for boys at their distinctive developmental stage of growth. On top of that, the proven spiritual impact that Academy has had on several generations of young men makes this camp priceless. Many on-fire men of today owe their decision for Christ to an altar call given at the Adventure Academy. The leadership skills that the Academy develops give a life time of advantages to boys. Fun activities designed with boys in mind are designed to offer your young man experiences hard to duplicate in other settings.

The cost for a week of Adventure Academy is \$165.00. An \$80 deposit with your application will reserve a space in camp. A camp shirt and hat (\$25 value) are included in the total cost. The balance must be paid by the start of camp June 9th.

Registration will be done on-line for the first time this year. Sample Registration forms can be downloaded from www.larr.org, to give you an idea of what information will be needed when you do the online registration.
