

ADVENTURE ACADEMY

Greetings

Louisiana Royal Rangers Adventure Academy; the place for Total Adventure.

In Royal Rangers, we are committed to helping every boy and young man develop into a Total man of God. Join us June 9-13 for a week dedicated to your journey there. The Adventure Academy will challenge you Mentally, Physically, Spiritually, and Socially with an experience tailored for every age from 8-17. Every year brings new experiences, new challenges, and new adventures. Outdoor activities, swimming, canoeing, marksmanship, model rocketry, archery, camping, hiking, first aid, rappelling, first aid, 22 rifle shooting, backpacking, and list goes on and on. Make friendships that will last a lifetime. Most importantly, experience God in a deep life changing way in services where you can be real with God and get to know him more. This is a week you cannot miss.

God Bless
