

**Frontiersman Camping Fellowship
Jim Bowie Chapter
Vice President's Report
Pow-Wow
October 10-13**

Pre Pow Wow: October 10, 2013

Thanks to Commander David Craun (Red Fox), a great deal of the work was done in the setting up of the frontier village. The rest of the village was constructed by Randy Henry (Spider) and Roger Lachney (Sodbuster). There were other members who helped in Council Fire set up Nelson Jones (Snakehunter), Sidney Jones, Justin Valley (Pappy Fish stick) ,Justin Valley Jr., Austin Boyer (5 Shot). A big thanks goes out to all that helped in the village and with the council fire set up, there were several that came in for a hour here and there.

Total.....1231 points

This total does not reflect Commander Craun's (Red Fox) work in the setup of the village and council fire.

Village Setup:

The village setup was the back drop for the service which consisted of a tepee, hunter's tents, and a baker's tent. Right in the middle of the backdrop for the village was the Cross. It is the center of our lives.

Breaking News:

Lloyd Boudloche (Swamp Walker) has paid his back dues, and has been reinstated into the FCF. Welcome back Swamp Walker!!!!

Frontiersman:

Information was given out to several Rangers about getting into the Frontiersman Camping Fellowship.

Buckskin News:

Sidney Jones was awarded a buckskin package for advancement at the trace in January.

Wilderness News:

Eric Sullivan was given a wilderness pouch at the Saturday night service for advancement at the trace in January. Did not receive money from Eric, we need to check for wilderness fees.

Services and Altar Call:

Paul Stanek did an excellent job of bringing the word to the group; his words were up lifting and to the point of the stages of the frontiersman and the spiritual advancement to our heritage. Numerous FCF members and Commanders prayed with boys and men alike. The number of salvation, spirit filled, and others are in Alton's Report as he took the numbers down Saturday night.

Conclusion:

This report does not reflect any pow wow events, just FCF news. It has covered FCF points, village set up, and involvement at the altar. It was a great time of celebration with every FCF members, a time of fellowship. I would like to thank God for showing us mercy and grace during this event.
